

HANDI-BUDDIES 2009 BIG GAME HUNT REQUEST

All participants in Outdoor Buddies sponsored big game hunts must be registered members of Outdoor Buddies. All hunters must possess a Colorado "DISABLED SHOOT FROM THE VEHICLE PERMIT" issued by the DOW. Please complete the lower portion of this form and mail it to:

**Outdoor Buddies, Inc.
555 Highlands Road
Westcliffe, CO 81252**

The Outdoor Buddies Hunt Coordination Committee will review all requests received and work with the applicant to plan and schedule the hunts. The three criteria used as guidelines for slot assignments are based upon last year's hunt status; *i.e. applicant did not get an opportunity to hunt, did get an opportunity to hunt but was unsuccessful in harvesting an animal, or hunted last year and successfully harvested an animal.*

Also, consideration will be given to the applicant's disability in regards to the degree of mobility suitable for each individual property.

Applicant may designate a property where he/she would prefer to hunt, however the requested hunt location cannot be guaranteed due to the limited number of opportunities at each hunt location. Shown below is a list of some of the properties where we have sponsored big game hunts in the past.

Blue Valley Ranch	South Park
Cortez (mule deer)	South Platte (white tail)
Estes Park Area	Trapper Mine
Meadow Springs Ranch	Twentymile Mine
RafterR Outfitters	Westcliffe

Hunt requests received by February 15th will have priority over those received after that date.

Note: Please fill out the application and send it to us before you apply for a license with the Division of Wildlife.
