**SELECTION PROCESS**

The Outdoor Buddies Hunt Coordination Committee will review all requests received and work with the applicants to plan and schedule the hunts. The three criteria used as guidelines for slot assignments are based upon last year's hunt status; *i.e. applicant did not get an opportunity to hunt, did get an opportunity to hunt but was unsuccessful in harvesting an animal, or hunted last year and successfully harvested an animal.* Also, consideration will be given to the applicant's disability in regards to the degree of mobility suitable for each individual property.

**HUNT LOCATIONS**

Applicants may designate an area where he/she would prefer to hunt, however it may not be possible to schedule that location due to the limited number of opportunities at each hunt location. Shown below is a list of some of the locations where we have sponsored big game hunts in the past.
